The ATR 42-320 aircraft has become the aircraft of choice for regional operators, consolidating ATR's competitiveness in today's challenging airline marketplace. ATR have been labelled the most fuel-efficient aircraft in their category, thanks to high-tech engines and propeller efficiency.

Our passengers fleet includes the following features:

- Excellent passenger visibility
- Easy baggage and cargo loading
- Very low internal noise
- Spacious and comfortable cabin (46 or 48 seats)
